I have many memories of playing with my cousin Patti and going into their store for those sticks with a sucker on both ends! But a very fond memory was being able to take my dad to see his sister Renée after decades of not seeing each other . He said he thought he'd never see her again so my sister and I made it happen ! It was so good to see her and uncle Clem myself ! He even danced a polka with us.
Will never forget you Auntie !!!! God has his hands wrapped around you !!!!
My thoughts and prayers are with you my cousins ! Love you all !!!!

On hearing of the passing of my Aunt Renee, my memories of Renee and my Uncle Clem brought a smile to my face. From my childhood days through adult years, visiting Clem & Renee was a delight. There was always abundant food & beverage, but more importantly abundant laughter. Everyone felt so welcomed in their home. Renee was very dear to my Mother with whom she had a special connection….more like sisters than sisters-in-law. Rest in peace sweet Renee; you left many fond memories from your life well lived.
