“ Pops I'm not sure what the proper words are to describe our relationship. You were the Father I always dreamed about but never knew until you adopting me at age 16...who does that???you instilled in me my work ethic as well as my love for the church and the gift of helping others. I will miss our daily lunches together as well as ushering at Christmas Eve Mass and of coarse Johnny boy and I waking up on a Sunday grumbling how early it was just to realize it was worth the effort to be there by your side at Sunday Mass. Mama and all miss you soooo much..

“ Condolences and prayers from my family to yours on the passing of a delightful soul. Mr. Muir began as a financial advisor to my dad but quickly and permanently moved in to the wonderful-friend category for mom and dad and for all us kids for decades. An old-school gentleman and a timeless cheerful optimist-- he was "good people," as my dad would say, an accolade dad reserved for only the best. We were blessed in knowing him. So sorry for your loss.

“ I have few words to describe the sorrow I feel. My Uncle Dave was a wonderful man. He was the best friend my Dad had. And he was a loving uncle to me. He always gave me good advice and loving support. I hope he knew how much he was loved. We all were lucky to have him in our lives. He will be greatly missed.

“ Fran, I don't have to tell you how sorry I am that we have lost that dear, gentle man. I shall miss my chief usher plus that kiss on the cheek! Know we love you and Nicole and send hugs to you. That is a marvelous picture!

“ David - you were a great husband for my cousin Franny. Over the years we became close, both through business and through our love of baseball. I know you're in a better place now. Franny, Nicki and the rest of your children and grandchildren will miss you greatly. Enjoy your time in heaven. Eventually, we will all be together again.
