“ I can't believe I stumble on Dr. Ludwig obituary. He was our family doctor in Blackwood N.J. From 1959 until Dad was Transferred to Virginia. My parents had 8 children and Dr. Ludwig delivered the last 3 boys. My. Youngest brother was named after him. He made house calls and we went to his office. One of my brothers put his arm through the garage window and Dr. Ludwig put about 100 stitches in his arm. When we moved to Virginia the Mullen family missed having the best Family Doctor. With loving fond memories,
Kathie Mullen Pollard.
