“Grandma” was and will always be a beautiful soul. I had the pleasure of spending a few hours with her at her Granddaughter, Tammy’s wedding. In the short period I was with her you could not only see the happy spirit in her face as she smiled, you could feel it come back to you. She was loved by so many and will be missed. My thoughts are with Grandpa, Tammy and her family. I hope that your happy memories of her shine in you.

“My grandma was an amazing woman. We have shared so many wonderful memories. She was always my constant in my life. She has left a huge void in my heart. But I will keep her in my heart for ever until we meet again.

“I remember meeting your family at Eliut’s graduation and then coming back to the house for a cookout. We all crammed ourselves on the screened porch. I will never forget your grandma coming up to me, giving me a hug and saying to me, welcome to the family. Isabel was just a precious soul and I will always remember her warm and inviting smile. I am deeply saddened for your family.

“ My grandma had a presence that no one could deny. She had the drive and heart that I strive to have in everything I do. She showed the women in our family that we can be in charge and that we don't have to be looked down upon. I love you, I'll see you again soon.
