“ I am so sorry to hear that Jack has passed. When I was starting as a lawyer in Sarasota Jack was very kind to me and helped me in many ways over the years. He and Nancy and I became friends and golfing buddies and I would even house-sit for them in the summers. I admit I was a little intimidated by Jack because he could be a bit of a "curmudgeon" but he had a gracious heart, great stories, and he will be missed and fondly remembered. Rest in Peace Jack. - Amy Sergent

“ Jack was certainly a humorous and interesting guy. As a friend of Lois, I had many experiences with Jack throughout the years. Allan, as we remember Jack, Ed and I send our condolences to you.

“ I rent Jack's former office. Never having met him, I assumed he would be horrified that a "lady lawyer" was occupying his office; quite the contrary, he would call and stop by to regale me with tales of the old days when the Sarasota Bar was much smaller. He will be missed.
