“ Honest, reliable, positive. Joe had the courage to cold call our company in the late 80s with advertising specialties. He was a dependable vendor and appeared to be an all around nice guy.

May the grief pass quickly and the fond memories be never ending.....

“ I worked with Joe in the late 80's. We both sold imprinted promotional products. Joe is the only salesperson who, I really believe, could sell a freezer to an Eskimo! He was a joy to work with and always had a smile, a positive outlook and a great sense of humor.

My wife Sharon and I send our heartfelt sympathy to his entire family.
