“ Liz, Michele and Martin: I was so sorry to read of Marge's passing. She, Gerry and I used to get together for dinner and fun - and then we all met our future partners within a short span. Jack and I attended her wedding to Warren - I remember when she first met him. She told me he was the one and asked if she should send him a book that she thought he might like. She had a great Christmas (birthday) open houses - and she never did tell me her secret to her potato salad. Anyone care to share??? Michele I'm the friend that you took pictures of my old house near Ambler. For a while she and Warren, Jerry and Mike and Jack and I would continue to get together but as time went by we saw less of each other. Sorry to say I didn't keep up with her - but we did have fun back in the day. I will never forget her. She meant a lot to me and I will always cherish her friendship. My best to you all - she was so proud of you. Peggy Meyers
