“ Aunt Muriel as she was known to me was my mom's best friend for 80 years. They shared so many wonderful memories, as I do as well. She was a constant in my life from the time I was a little girl, growing up with Amey and Bruce. Even after she moved to Florida she and my mom remained as close as they were when they were younger. My mom would go visit her in Florida and she would come to Queens and stay with Mom. That's when I would get to see her. The last time I saw her was when she came to the east coast of Florida for her granddaughter's wedding. We all reunited like old times, visiting with my mother in the nursing home. I will always remember her. She is at peace now and I'm sure she and my mother have found each other up in heaven.

My love to all

“ I'd appreciate if you could let Amey, Helene and Lauren know that I feel very sad I can't be there to remember and celebrate Muriel's life. She was my Mom's best friend and through life she and I shared wonderful times and conversations. She was a life force of love. I just spoke with her two weeks ago and though a short conversation it was filled with love.

If they care to get in touch that would be wonderful. I am with them today in Ct

Thank you,

“ Aunt Muriel or Aunt “Miracle” as my sons called her, was a yearly visitor at our home in Birmingham, Alabama. She watched our children, Matthew and Andrew grow from babies to young men; eagerly participating in any and every activity and occasion from birthdays to graduations. The family stories she shared were priceless. We will miss her lovely smile and generous heart.

Our love and sympathy to her family,
Jeff and Cynthia Barnes
