“ Pastor Neville was a great man of God. He was my pastor for over 20 years. I loved his preaching, his love for the King James Bible, his sweet loving spirit that was shown to everyone he came in contact with. Though we will all miss him here we will rejoice with him in heaven with our Lord Jesus Christ.

“ My deepest sympathies to the Gritt family. I have many fond memories of Neville. Probably the best is when he performed the wedding vow renewal ceremony for my husband, who had never attended the Tabernacle up to that point, and me. Neville was very welcoming to him, which witnessed powerfully to my husband. Blessings to the Gritt family.

“ Pastor Gritt was very close to my parents. The last time I saw him he came to see Mom in a rehab center. They both had Parkinson's Disease. I was so touched to see how upbeat he was and gave Mom joy and comfort even though his condition was as bad as hers. God bless you Pastor Gritt. May you Rest In Peace. Melinda Cooley Major

“ I broke off my engagement to my now wife a month before the wedding. Seven months later we got back together and I wanted to marry her and she gave me three weeks to get it together. I called Neville and he said well let's do this. He gave us the honor Of being the first couple to be married in the new Tabernacle which is the old church now. That was 44 years ago and I will always be grateful for never pulling that off. We moved to Tennessee where my wife is from and it was very lonely up there Which put me into a type of depression. One day in the afternoon I answered the phone and it was never asking me how I was doing and is everything OK. Never moved in the spirit and always knew the right things to say to me. He loves apple pie and said from the pulpit One day that he loved it so much he would like to lick the plate but Loretta wouldn't let him lol. He was sincerely my brother it was always there for me, Even if I hadn't seen him in a couple years we would pick up right Where we left off, as if we had seen each other every day. I truly love that man

“ Pastor Neville has influenced, inspired, and empowered home and foreign missionaries around the world. His vision helped us to establish two churches in the Florida Keys and a French Bible college overseas, but our story is only one of many. He loved God and those God him to serve. He is and will always be a treasured friend and colleague; our family was blessed to have known him and his lovely family.
