

## Roy Glenn Reece

August 1, 1940 - March 18, 2020

On the morning of March 18, 2020 Roy passed away at the age of 79.

Roy was born in Festus, Missouri to Bulaha R. Schrum and Frederic Reece.

Survived by his wife; JoAnn, step daughter; Mary Jo Rayfield, sister-in-law; Melisa McGraw, sister; Dee Spellman and 13 nieces and nephews.

Roy retired from the Air Force after 20 years of service as a Chief Master Sgt, E9. He was involved in the construction of the Stealth bomber. Later he worked for the CIA for 6 years. He then moved to Dayton, Ohio where he partnered in a computer business with a friend and sold it 4 years later. Then Roy moved to Florida to finally retire.

He was an avid golfer for years and made many friends over the years. He was a man of the utmost integrity. If you asked him a question you knew he would answer with total honesty.

A very special part of Roy's life was with 4 of his closest friends that he went to first grade through high school with them. Over the years they got together at least once a year. Roy went to see the boys this year and they were all happy to see each other again.

Roy was definitely one of a kind.

“ My dear friend JoAnn, this is a terrific photo of Roy and the obituary a moving tribute. You already know how much Roxy & I treasured our friendship with you and Roy. So many wonderful memories made together, from your sharing Roxy's "birthday bridgewalks" in healthier days to countless hours cracking each other up at the V. His infamous Festus tooth barrel story--only one of many!! Harmonizing with Roy across the bar when invariably, someone would play Lovesick Blues for him to sing. Which he did even better than the original, but I do believe Ole Hank would've approved! Encouraging each other through hard times, comforting each other through unspeakable grief, lightening the load with laughter, always. We respected and admired Roy for not suffering fools gladly, but he was also the most supportive and caring soul a friend could have. A principled man of honesty and integrity. We were blessed to have had you in our lives, Roy. You're in God's keeping now, but forever in our hearts. Rest in peace, dear man.
