“ I am very sorry to hear of Tom's passing. I know he had many friends and family there for him and especially his children. I worked with his son Patrick that always put family first and was there for his dad any time he needed him. My deepest condolences to the whole family. xxoxo Judy Dinova Payne, Englewood, Florida

“ I first met Tom in Bloomington, when we both worked for Jack, who called us " His Pulling Guards" due to our Full Figures. Those were great times. Tom helped my kids build their science projects. I once told him that the smell of sawdust was his favorite aroma. Some years later, Tom found a spot for me in Greensburg when my position at ABB International was eliminated and I will always be grateful to him for that. I had more laughs with Tom than anyone I ever worked with. He is one of those rare people about whom you can say, I am a better person for having known him. My deepest sympathy to Linda and the family. He loved you guys more than anything.

“ Our dear sweet Devitt family. We cannot fully express our sorry for your big loss. Tom was one great dad and taught all of you the important values in life that have made you so successful. He was VERY proud of each of you. Linda, he treasured you the most and you should be proud of yourself for taking such good care of Tom throughout his illness. “ We are so saddened to learn of Tom’s passing. We were both privileged to work with Tom during his time at Greensburg. He was very respected professionally but most of all we remember his great sense of humor and the love and pride he had for his family. Please accept our deepest sympathy.
