“ Vanda Bayliss was a consummate legal professional. It was my honor and privilege to hear her clients' cases as a Family Division Judge over the years. I am shocked and saddened by her passing, but want her family to know that she was one of the best lawyers in this community. She will be greatly missed. Becky A. Titus (former Circuit Court Judge, now retired)

“ I am so sorry to hear this news. I traveled with Vanda through Peru two years ago. She was a wonderful woman and we kept in touch through Facebook. I fly back to Peru on Saturday and was about to reach out to her to let her know when I saw the message on her page. Truly a great loss. My condolences to the family. Nasreen Ali
