“ Oh my goodness, so much I'd like to say, but I'll keep this short. I'll never forget the first time we met. I was getting promoted at Ritz Camera, and you were hired to replace me in the Sarasota Mall location. It was early December and I was talking to the boss, I was upset because I had an unexpected Auto issue that took my whole Christmas savings to fix. I had no idea you overheard the conversation, about lunchtime, you came in and introduced yourself. Then you asked me to lunch 😭 I was confused, who is this young man I thought to myself. While at lunch you asked a few work related questions, I figured you wanted a jump on what to expect, but no. You said I know you don't know me, but I was in the store and overheard you and David talking. You asked if I had gotten my car fixed, PUZZLED, I replied yes, thanks for asking. You smiled that beautiful smile and said, Merry Christmas, and handed me a sealed greeting card. There was so much hand written on the inside front. As I read this beautiful message from a stranger, the tears began to fall. The kindness and concern for me, and my family warmed my heart and touched my soul! At the end was a smily face drawn with a message to check the envelope, Merry Christmas. In that envelope was 10, fifty dollar bills. I'll never forget your words as the tears were full on then. You said everyone should be able to have a Merry Christmas. This is not a loan. It's my gift to you. 😭😭😭, Over the years, for no reason at all, you would pop up with a gift, for me, or for my Mom, even for my brother Ryan who is Resting In Peace for three years now. You had an amazing HUGE heart and I know you are Resting In Peace now too. I will always love and appreciate your kindness and friendship 🙏
