

Adah Addie D. (Kellar) Hagen

March 20, 1918 - January 29, 2019

Adah Addie D. (Kellar) Hagen, born on March 20, 1918 in Bakerstown, Pennsylvania, to the late Janet Gray Kellar and the late Howard J. Kellar, passed away at age 100 on January 29, 2019 in Sarasota, Florida. Adah was married to the late Lewis T. Hagen. She was preceded in death by her sister, Roberta Welch, Adah is survived by her sons, Robert L. Hagen (Mary Ellen) and Ronald H. Hagen; sister, Janet Hull; and grandchildren, Kimberly Houchin (Tommy), Scott Hagen (Ashley), Kelly Badgett (Cliff), and Dane Hagen and 6 great grandchildren.

Adah aka (Addie/ Momma Hagen) possessed a lifelong thirst for knowledge, along with a never-ending curiosity about how things worked and why things happened. She never lost her lust for learning even after her hearing and sight failed her. Needless to say, she was a woman with multiple passions and many interests including Messianic Jews and MADD. She saved virtually every greeting card she ever received throughout her one hundred plus years of life. Frequently she would spend her evenings re-reading her collection of cards which she called "visiting with old friends" bringing back cherished memories of all the people from her past whom she loved and out lived. Addie truly enjoyed meeting people and making new friends. She always made a special effort to meet, greet and make welcome new residents at Desoto Beach Club. She took part in most of the extracurricular activities offered there, including bible studies, chimes, crafts and guest speakers who covered multitudes of interesting topics to feed her limitless curiosity as previously mentioned.

However, Addie's greatest passion in life was her loving family, consisting of her son's, daughter's, grandchildren, great grandchildren, nieces, nephews and great nieces and nephews all of whom she prayed for daily first thing every morning and last thing every night. The family invites in lieu of flowers, donations in ADAH's name to Chosen People Ministries, Disabled American Veterans, or First Presbyterian Church of Bradenton.

Friends and family can pay their respects at the visitation on Monday, February 4 from 12:00 to 1:00 p.m. Following that, there will be a funeral service, officiated by REV VIC

KANE, from 1:00 to 1:30 p.m. The funeral home will be Toale Brothers Colonial Chapel - Sarasota, 40 N. Orange Ave, Sarasota, (941) 955-4171.

“ The Hagen's and my mother and father were close friends when I was growing up - and her family lived across the street from my grandmother so I knew them well and Bob and Ron were my brother's and my playmates. Through all the years she and my mom kept in touch and when my mom passed away Addie kept in touch with me and I will certainly miss her phone calls especially the birthday ones. She never forgot and that meant the world to me. They are a beautiful family and my thoughts and prayers go out to all her relatives. God Bless.

“ Loved all my phone calls from Adah these last almost 6 years since I lost my mom who was just a couple months younger, got to hear stories of them growing up in Pennsylvania together and every time I sent Adah a card for any little holiday I would get a call when it was received. I know she had a very special family!

Adah was one of my favorite humans! Our phone chats began in earnest after my mom, her long term friend, left for heaven in 2002. Yes, she called after each card I sent and she always ended our calls...”to be continued.” I will miss her and our talks so much. She always taught me something and was always knowledgeable about so many topics from history to politics, religion to where The Wallenda's were doing their latest acrobatics! She was an amazing friend and I am eternally grateful for her love and joyful spirit. She will be missed but she is in heaven listening to some choirs and barbershop and hanging out with Lou and her many friends and family. Rest in peace and love dear friend of mine. To be continued.... ❤️ Becky

“ Memories, memories, forever! They were always the last persons to leave from the corn-roasts, just to have joyful conversation! Addie loved hymns, and she joined the Staleys in the singing! Her alto voice will be heard in Heaven! AMEN! Margie

Love you Margie. You're right, we usually let the corn roasts near sunrise. A wonderful time to remember. Thank you.
