“ Adam, I am so absolutely devastated to learn of your leaving this world. I truly felt I'd have my adopted Polish father in my life until the end of my days. Your energy and love was so clear every time I was in your presence and you always had so many wonderful words of wisdom or encouragement to share. You cared how I was doing and I was so excited to share the big things in my life with you. I hope you know how much you meant to me and I know you are at peace now. I will miss your presence, your hugs, and your contagious smile and laughter, but I know I will see you when I get to where you are!!! Kocham Cię!

“ To the best “jadi” “jajayyy” “Dziadek” ever..... we love and miss you so much. Thank you for loving your grand babies the way you did, how much joy and laughter you brought to the world! Your contagious smile and incredible sense of humor! I can close my eyes and hear you making your entrance into our home singing “ everybody loves somebody”.... The world lost a true warrior. May you continue to rest in peace and it’s not goodbye, it’s see you later. Love you so much, forever and always
