“ *Adrinna was my coworker and one of my dearest friends. I can't imagine our lives without her now, and the world is definitely not as bright without her in it. I will forever treasure her friendship, and the many laughs we shared. She was always willing to lend a helping hand, was my shopping partner on our lunch breaks, and was always crafting or creating something beautiful. She fiercely loved all of her family, adored her wonderful husband Shelby, and was very proud of her children, step-children, grand children, and nieces and nephews. I feel like I know you all even though I haven't met most of you, because she talked about her family all the time. She will always be in my heart, and I'm so grateful that I was able to have her in my life. I'm so sorry for your loss.*
