“ *Aileen and I first met in Junior High and we became fast friends. Always happy and optimistic, she was a loyal and constant friend . She was in my wedding and I was in hers with my son serving as her ring bearer.*

Over the years , we lost touch, but I never for one day forgot her.

How sad to learn of the passing of this wonderful soul who loved all creatures big and small .

May she rest in peace . Prayers for her family I extend in this most difficult time ...
