“ *So sorry to hear about Als passing, growing up as a child next to him for over 20 years. When I was a child, I would be excited when I had to sign for packages from UPS for AL. (usually train stuff so it would be quite often) and looked forward to Al getting home so i could knock on his door with the latest package..He always had a big smile and said "thank you Sue".(my middle name)..Prayers to Sandy and Missy and family..God Bless.*
