

## Alicia E. Brown

May 14, 2022

Alicia E. Brown passed away at her home in Lakewood Ranch, Florida on May 14, 2022. She had just turned 55.

Alicia courageously battled cancer for 3 years before she decided that she wanted to suspend treatment and live the remainder of her life in peace. She is survived by a loving family and many, many dear friends.

Alicia was no stranger to the medical community. Surgeries and treatments were a constant in her life from birth but remarkably she never developed a “why me mentality.” She always displayed grace, a courageous spirit, and always had a smile on her face while facing one medical obstacle after another. Her greatest attributes were her fighting spirit, positive attitude and a wicked sense of humor.

She worked in Washington, DC at The Association for Americans with Disabilities. After moving to Florida to be near family she worked at Lakewood Ranch Medical Center until health issues forced her to retire.

She loved reading, cruising, and birthdays (she managed to stretch birthdays out for a month, and they had to include lots of buttercream frosting).

Alicia loved games. Playing Maj Jong with her “ladies”, a good card game, and “dad and daughter” bingo brought out her competitive nature, which was

entertaining to observe.

She had a kind generous spirit and was always there to lend an ear to a friend. It was a joy to have been blessed with her presence and love.

She mentally prepared for her passing by the surety of a reunion with her loving grandparents, aunts, and friends who went before.

Her memory will live in the heart of many!

Just when the caterpillar thought the world was over...it became a butterfly.

A Memorial is being planned for a later date. Burial will be private.

In lieu of flowers the family prefers donations to the remarkable organization TideWell Hospice in memory of Alicia. The support and compassionate care they provided was invaluable.

“ *I am so sorry to hear of the passing of Alicia. We had mutual friends and saw each other at weekly Bingo before she started her decline. I enjoyed her positivity and her sense of humor. Alicia exuded a calmness no matter what her circumstances at the time and I so admired her strength. Please give my hugs and kisses to Pat and Eber and my heartfelt condolences to all her extended Family at this very sad time.*

“ I got to know Alicia thru playing BINGO at the Elks Lodge a couple years ago. She was such a beautiful person, I mean personality wise and physically. Always seemed so positive. She served as a BINGO caller several times and her Dad played her cards for her. I used to wonder at how often she would win when she was calling the numbers.

*Alicia will be missed by many.*

*May God comfort the family and friends now that he has Alicia with him.*

*My heartfelt condolences go out to Eber, Patti, Alicia & Bob.*

“ Alicia was the bravest person I have ever known. There was always a smile on her beautiful face - I never heard a complaint - she dealt with her issues with grace and fortitude. I have always said that knowing Alicia was knowing none of us had any reason to ever complain about anything. Patti, Eber and Aunt Alicia are all warriors and did everything in their power to be a beyond powerful source of love and energy. It was a privilege to know Alicia - rest in peace sweet angel - heaven has received one of the best.

*With much love - Barb*
