“ Dear Irene, Glenn and Family,
So sad to learn of your loss! What a great guy! I have fond memories of our times with all of you. To refresh your memory, my late husband, Arnold, and I spent many happy times with you in our home in Belleville, Il., boating and Camp Hawthorne where my son, Phil, and Glenn became friends. Ironically, I just came across a picture of Phil and Glenn there. Cute kids.
I saw the obituary in the Jewish Light but don't have an address for you, so I hope you get this. My condolences to the entire family .

“ My name is Laura Griffin. I am Ron & Terry (Gould) Griffin's daughter. My grandparents, Bill & Hilda Gould, had a condo next to the Hyman's at Lake of the Ozarks. I heard about Al's passing and I just thought I would send my condolences to Irene & Glenn. We had so much fun at the Lake and Al was a hoot. I'm sure all of us kids drove him nuts. You are in my prayers.

“ Dear Irene and Glenn, we just heard about Al, and we are so, so sorry to hear such sad news. I was thinking of you both this week because we had dinner with Earl and Essie here in the Desert. They both asked about you. When my brother Earl called this morning, I was so sad.

David and I always enjoyed being with you and Al, and will always remember our times in the Ozarks seeing you. Al loved life, and enjoyed every moment.

Our thoughts are with you.

“ Irene, Steve and I are so saddened to learn of Alvin's passing. We were so fond of him. We remember our good times down at the Lake with both of you. His boyish energy on your boat always amazed us. And Alvin's enthusiasm was contagious! So many good memories, we will cherish. We are so grateful we got to see you both when you came to Alvin's 70th class reunion at Washington University. Alvin was always up for fun and an adventure. We will miss him. Our deepest condolences.

“ He was an amazing guy who has always been an inspiration to all of us that HO. My favorite memory is of both of you dressed up, looking beautiful, and dancing at club functions.
