

Ana Paula Irvine

May 31, 1967 - September 26, 2023

Ana Paula Irvine (maiden name Conde). Paula was born to Portuguese immigrants and raised in Zimbabwe, Africa until the age of 12. She had very fond memories of growing up there until the war had them flee the country and eventually immigrated to the United States and settled in Ocean Township, New Jersey. She went to Ocean Township High School and transferred to Linden Hall School For Girls, a prominent boarding school in Lititz, PA. She was married in 1995 to David J. Irvine and they relocated to Osprey, Florida in 2002. Paula was full of life, quick witted and loved to laugh. She loved deeply. A hopeless romantic. Wore her heart on her sleeve. Always ready to right a wrong and stand up for the mistreated. She loved her Pugs, Lola and Luna, as a mother would love her children. They were her world. A die-hard movie fan, she had an amazing collection of films that she loved. Gone With The Wind, Cleopatra and Titanic being her top 3. She loved the Lord. She will be missed. The world is a little more sad with her no longer in it.

She is survived by her mother and father, Alfredo and Maria Conde and her ex-husband David.

“ *Paula was a beautiful young lady inside and out. My fondest memory of meeting Paula is when she joined her Mom at my house to help complete a project that I needed. She came into my home with a smile on her face willing to help me and her Mom. She loved life, people and her fur babies. She was a giving person and loved doing for others. I'm glad she stopped suffering and that our Lord and Savior called her home. Her Mom and Dad will miss her terribly, but God makes no mistakes. She's surrounded now by Angels of God and all the love that our sweet Jesus can give to His souls. May you rest in peace beautiful Paula. I only wish that I had met you a long time ago. But, your Mom is sharing so many memories of your life, and what wonderful stories to carry on to those that knew you! Rest in His loving arms.*

“ *Paula was a very kind and loving person. She was always happy to see you and always gracious. We did not see a lot of Paula over the past year but she will always be remembered by us. A kind and caring person...*
