“ Dear Mom, How blessed I was to have you as my mother. I will forever miss your smile, your laughter and your sense of humor. Your love was unconditional, you were quick to forgive and loved your family dearly. Your joy when you cooked family meals with the radio on singing while you cooked, and your children were there, made you so happy. You were our mom and friend. Family was everything to you. You so worried about your children even when we assured you everything was all right. The most beautiful part of our family is missing now, you. I love you, mom. I will always keep you in my heart until we meet again. Love, always, Denise

“ Dear Patty and family, I'm so sorry about your mom's passing. I saw her in January at the fair grounds. She was enjoying being out and about..she said it reminded her of old times in Central Park in NY. She was joy to be around and I loved her stories about her husband, the trips, the plane rides and her children. She loved all of you. Now she will spend eternity with her husband and have no more pain, just joy! God bless all of you.
