

## Ann K. Jones

December 2, 2021

Ann K. Jones of Bradenton Florida/Birmingham Michigan passed away from natural causes on December 2, 2021. She was 90 years old.

Mimi as she was known by her children was a caring loving mother who also loved her cats (Lovie and Casey). She was quite the character and just as happy to pass out an insult as a loving kind word. She cared deeply for her children and husband (Cranston F. Jones - deceased).

Mimi lived much of her life in Birmingham Michigan where she had many dear friends. She loved to socialize at parties both as a host but mostly as a guest. Her favorite cocktail was a martini then later in life a cosmopolitan.

She is survived by her loving children Greg, his wife Annie, and Cran Jones along with her loving grandchildren Samantha, Morgan, Cranny, and his wife Beth, Claudia, and Hunter.

“ *While I did not have the pleasure of meeting this loving family member, I smiled reading the part about the insults. This is me to a T. Sounds like a great lady. So sorry for your loss.*
