

Ann Marks

September 3, 1924 - November 26, 2018

We mourn the loss of Ann Marks, beloved wife, mother, and grandmother. Born in Montréal, Canada, Ann moved to Tulsa, Oklahoma after meeting her future husband Paul during a short trip to America in 1952. Ann met Paul during a blind date set up by Ann's friend. They instantly fell in love and married six weeks later. A fashion model in her youth, Anne was known as a gifted artist and musician. She was both a self-taught painter and pianist, capable of playing any song by ear. Always known for her commitment to helping those less fortunate, Ann was a decades-long volunteer at the Tulsa Psychiatric Association. She is survived by her daughters Lori and Marla, son-in-law Irwin, daughter-in-law Courtney, and grandchildren Alec, Michael, and Rex.
