

## Arlene Sandra Klein

July 22, 2024

Arlene Sandra Klein, age 84, of Sarasota, FL, passed away peacefully on July 22, 2024.

The joy of Arlene's life was her family. She is survived by her husband and soulmate of almost 65-years, Ron; son, Jeffrey; daughter, Lori; son-in-law, Yale, and grandchildren: Erica; Mindy; Alex, and Michael.

Arlene's passion and purpose was animals. Her world revolved around the dogs and cats with whom she shared her life, as well as advocating for the health and welfare of all living things. She dedicated her time by serving on boards of animal foundations throughout the country, was a Trustee Emeritus for Morris Animal Foundation, and wrote for Dog Writers' Association of America, along with being featured in numerous other publications. Her commitment to making a difference for animals, and being the voice for those who could not speak for themselves, is the legacy that she leaves behind.

There will be a private graveside service for her family to honor her life. Memorial donations in her name may be made to Morris Animal Foundation.
