Art was born in Stamford, Connecticut, on July 9, 1964. He came to Sarasota, FL, to live with his grandparents, Arthur Frank Kelley and Marion Graham Kelley in 1967 and remained in Sarasota until his death.

Art will be deeply missed by his life partner, Becky Brizendine of 26 years, and her two sons, Derek and Ryan, from Sarasota, FL. Art leaves behind sisters, Nancy Kelley Bogus and Janet Kelley Samelwich of CT; half-brothers, Richard "Rich" Kelley of NV; and David Kelley of CO; many aunts, uncles, nieces, nephews of CT; and friends in Sarasota, including his best friend, since Childhood, Steve Coblentz.

Art had many careers in his lifetime. He was a roofer with a few companies including Action Roofing. He was a handyman, maintenance man at South Winds Mobile Home Park and did side jobs at the park.

Art had many special friends that were residents at the South Winds Mobile Home Park. We are sure that if he were able, he would like to thank South Winds Mobile Home Park and their special residents for their kindness and support.
