

Auguste Simone Mathey, II (Si)

April 4, 1932 - October 6, 2024

Auguste Simone Mathey II (Si) passed peacefully on Sunday, October 6, 2024. He was born on April 4, 1932 in Utica, NY. Si graduated from Stevens Technical Institute in 1955 with a degree in Mechanical Engineering. He was the founder and CEO of the specialty tool and die corporation, Electroform Corporation, in 1965. With his intellect and entrepreneurial instinct, he successfully grew the business for 43 years. Throughout his tenure he focused not only on the company's bottom line but on his commitment to provide the highest quality of workmanship along with meaningful work and opportunities for his employees. With that, he created a premier workplace culture and a loyal company family.

Si loved learning, exploring, and mastering many interests. He was a natural athlete and over his lifetime excelled at la crosse, cross country motorcycle racing, Porsche racing, glider flying/instruction (diamond badge), tennis, wind surfing, skiing, scuba diving, skeet shooting and bird hunting with his beloved English Setters. He was the consummate sportsman and gentleman, who will be remembered for his integrity, elegance and superlative skills.

Si's love of life, joyful heart and optimism were infectious, and he had the unique ability to motivate, inspire, teach, and to elevate his family members, friends and colleagues.

Si is survived by his 3 children: Cheryl Hein and her husband Steve, Kim Mathey and her wife Laura Southard, and Gus Mathey. His grandchildren: Gus Mathey, Rick Cunningham, Marilyn Cunningham, and Thomas Mathey. His sister, Sue Lansdell, his sister-in-law, Lee Mathey and several nieces and nephews.

He is also survived by the love of his life and wife of 37 years, Amy.

With profound love and admiration, we celebrate the life of this remarkable man and the extraordinary legacy that he leaves.

The family will be holding a private service at a later date. Expressions of sympathy can be made to: Tunnels To Towers Foundation at T2T.ORG.

“ Si, was a kind man and good customer , always fair. I was talking-to Steve at Electroform and he told me of Si's passing. Great man. Did not know he loved Lacrosse. I am on a 65 and over lacrosse team and would have loved to have him as a teammate
