“ Family and friends were important to Aunt Barbara. Her road trips from Florida to NH to visit family were an anticipated part of summer. We also enjoyed being with her in Florida, especially the year that we lived in South Carolina, when she visited us and we spent Thanksgiving with her. Earle's dog had us laughing all day- and how she loved to laugh! Bruce and I will miss her. Our love to you all as you celebrate her life and say good-bye.
