“ *Barre inspired us with his courage & optimism in his battle with cancer as well as his patriotism & love for our country. A joy-filled believer, he was always cheerful and ready to lend a helping hand. A man of many talents with a huge kind heart. He was a terrific neighbor to Jon's parents for over 30 years. One of our fondest memories of Barre will always be our Honor Flight to Washington, D.C. with him and two of our WW II buddies in 2013. We miss you dear friend, but look forward to seeing you again one day!*

“ There are some who bring light so bright for the world that even after they have gone, the light remains.
I will never forget Barre's smile and the positive energy he carried despite his adversity.
He was an inspiration and always encouraged me to see the good in things.
Wishing his friends and family strength and healing in this hard time.

“ Where do I start ???

Barre and I started our school life together...many years ago..

We have been best friends forever...

Everyone knows Barre was a friend and brother to all..

Barre, was put on earth to help anyone who needed it.

A friend and a helping hand to all. Nothing was too big that he could not over come it.

Barre would always talk about his great family.

Barre you will be missed!!

Love from one of your many friends....

Rest in Peace

“ *I was very sad to learn of Barre's passing. As one of his old coaches at Lock Haven Univ. I will always remember him as one of the finest young men I worked with. He has stayed in touch with me and my family for many years. His many talents always amazed me. My best wishes to Dee and her family.*

“ Barre was a wonderful "classmate" & friend. Always enjoyed seeing him at our reunions. So upbeat with all he had conquered with health matters & loved telling us about his grand children & their sports! He was a friend to all. Will surely miss his great smile! Rest in peace Barre, you fought a mighty battle with strength & dignity. Farewell

“ Barre was always at Shannon's soccer games and was a supporter of his children's activities. I do remember his car that he drove with pride.
