“ Erica, Dave, and Family, I am so sorry for your loss. Barry was such a kind, gentle soul that I feel privileged to have known. I will always chuckle thinking of him driving his 'Fahrvergnügen'.

“ Even though I didn't get to be around Barry very often, he diagnosed me with a condition that doctors seemed to miss for 22 years. I owe him my gratitude for his help. I am glad that I had the pleasure of knowing him. Turner and I will never forget him. Our condolences to Erica and Barry's family.
