“ I have many fond memories of Roger from when we worked together 'back in the day'. Others have described his big heart, and they are spot on. He was a good Dad to his sons, a good husband to Kathie, and a good friend to me and countless others. He was the genuine article. Kathie, Sheldon, Sam, and Family, you are in my thoughts and prayers. Rest in peace my friend.

“ I’m very saddened of Roger’s passing. For his family and friends, and all who had the pleasure of knowing him. We were childhood friends who went on family vacations together. Camping, hunting, and fishing together with our fathers. I worked for him and his sons for many years and he was so kind and generous. I loved his sense of humor and his kind caring generous heart. He was like a brother to me and I know he will be dearly missed. Sending my deepest most sincere condolences to Kathie, Sheldon, Sam and Jimmy and all of his grandchildren and everyone who loved him
