“ I also worked many years along side of Betty as a supervisor at the VNA. She was a wonderful committed co-worker and Nurse who cared greatly for her staff and patients. Condolences for your loss.

“ Betty was my boss for many years at VNA of RI. She was a good boss and mentor to me. When she retired our unit was never the same, but we knew how much she was looking forward to retirement (the large calendar on her door was a hint); so we rejoiced with her as she reached that milestone. Now her sailing adventures are not over, they have just moved to a different level. Sail on at peace.
