“ Vicki, Cathy, Valerie, and family,  
I'm so sorry to hear about your Momma. It's so hard to lose your Mom. She's your best friend, the one that taught you morals, and every day life lessons. My heart breaks for all of you during this difficult time. I know you all were so close to her. She was blessed. I can picture her at church when we were teenagers. She always sat by her Dad and he would hand us candy with cellophane wrappers. I tried so hard not to make noise. I think he did it on purpose. I love you girls. If you need anything please let me know. Sending you all prayers, hugs, and lots of love.
