“ I just happened to be doing family search last week when I came across the obituary of your mom's passing. So many memories of when your parents were first engaged, visiting in Colorado and New Mexico as well as in Sarasota even though many years have gone by since then. Rest in Peace Bev.

“ I was so sad to hear about my Aunt Bev’s passing. I will miss her very much. She was so kind and I shared many beautiful moments with her. She always had a smiling face and was an integral part of our family. I was blessed to have her in my life. I hope that remembering her laughter and love will be a great comfort to her family as they grieve her loss. Rest in peace Aunt Bev.
