“Dad you were forever my rock and voice of reason. You taught me discipline, loyalty, fierce determination. How to adapt and overcome and it's served me well throughout my life. The greatest advice you ever gave me was to "Live in the NOW"... something I strive to do daily.

Our memories I'll cherish the rest of my days of all the shenanigans we use to do just you, me and Mama Sherry. From our Halloween parties to our bringing down the flag while I played my clarinet... to our Thanksgiving Turkey prank on Grandma.

You fought every single day of your life. For your sisters and for your own life. Rest in peace now Daddy and know how much I love you. Until we're together again....

Forever yours... your Vietnam baby❤️Your daughter Robin
