“ Dearest Rob,
Bonnie was the loveliest sister-in-law both inside and out. It was so obvious how much she loved you and made you happy. Just look at the grin on your face when you were with her and you'll see what I mean. I remember a very special day with her in Sarasota as Patti, Margie, and I joined her in a walking shopping tour of some shops. The best part was laughing and eating ice cream. Bonnie is missed and remembered fondly.
You are Loved,
Marie Kerwin
