“ Dave and Robyn,
Words cannot express how sorry I am for your loss. You do not know me, but my team and I worked with Brad for the past two years in W. Chicago. We LOVED working with him! Brad was very intelligent and had a witty sense of humor. I always joked that he never got angry or raised his voice, only rolled his eyes or tossed his pen down on the desk! Brad was always willing to go the extra mile to help my team get everything done. We also had our personal "complaining" sessions to get everything out! We also had a lot of sports rivalry - with Michigan and Ohio State! I loved Brad's smile and even on a really bad day, he could always make your day a little better. Words cannot express how we feel or what your family is going through. Your family is in our thoughts and prayers. Please know that Brad was loved by many people in Chicago and he had a HUGE impact on so many people. Your son will always be a wonderful man and will be terribly missed but never forgotten!!
