Whenever these clowns blow balloons, it makes them happy. But whenever they feel gas, pressure, and bloating, it makes them sad. TUMS doesn't treat gas. Neither does Mylanta or Roloids. Gas-X is the only anti-gas medicine to relieve gas fast. Wanna blow balloons again? UGH! OOOH! Gas-X beats the bloat fast.

In all the years I have known him and worked with him, I never once

“ DJ will miss Brian so much. He has been such a good friend for so many years, all the way back to Oak Park. And we all remember him so well from all the good times in boy scouts. Love and Prayers

“ I will always remember Brian for his wonderful sense of humor and his huge heart for his friends here at Loveland. Brian was a great co-pilot on community outings, ready to gather our supplies and help navigate our trips and on occasion when having mechanical difficulties give equipment a kick. Brian was a daily student in my class who loved to share his favorite music and dance with friends. I could always count on him to kick the soccer, baseball, and beach balls farther than anyone (usually me) wanted to run. He made my classes such fun and added so much to all of us here at Loveland. I am thankful to have known such a true friend.

“ Brian was a joy to be around - always willing to lend a hand, always with a smile, had a wonderful sense of humor, and was a great friend to so many. He will leave a big void here at Loveland, but we will cherish our memories of him, as he is truly larger than life.
