“ We were stunned and saddened to learn just yesterday of Brian's death. He has helped us with our computer problems for about 10 years and we loved him. He was a kind and gentle spirit who will be sorely missed. Our deepest condolences to his family.

“ Connie, We are so sorry and heartbroken for you. You and Skeet have been such good friends for so long. I can still remember when we first met Skeet as part of the SJ Band. The Denver shows with him were always memorable and the very best. We will miss his wit and humor, all his emails and most of all his kind hearted spirit. Our condolences to you, his family and his many friends. Our world has lost a great light. Patii and Gary Janco

“ Skeet, You will always be my big brother, you were always there for me and I will always cherish your advice, enthusiasm for life and gentle spirit. You showed how to laugh at situations when needed, how to endure things through to the end, and even how to play bass, The ringing is forever in my ears from that Skeet! Truly in every sense of the word you are a big brother that will live on in my heart forever. With enduring love and admiration, Jim

“ to Stephanie, Kathy and all of Skeets family: I cannot believe the world has lost such a unique and gifted soul. Skeet cherished his family and was so proud of you. His love of music, animals, coffee, laughter, friends, pizza, movies, travel and yes even computers was a distant second to the respect he had for you and the strength he gained knowing you were such an Important part of his life. We talked about this often. I know he will always have a special place in your heart as he will mine.
