

## Burton "Burt" Piersol

June 14, 2017

Burton "Burt" L. Piersol passed away Wednesday, June 14, 2017. He was born in 1933 in Lancaster, PA.

After graduating high school he served from 1951-1954 in the U.S. Air Force. During his time in the military he served for one year in Greenland. The sub-zero temperatures created a life-long yearning to live in Florida. He retired to Sarasota in 1999 with his wife Barbara.

Burt was a professional photographer and continued this passion into his retirement.

In addition to his wife Barbara, Burt is survived by a daughter in California, 3 step children, 6 step grandchildren and a sister in Pennsylvania. He was preceded in death by a son.

Burt cherished his Tuesday night poker buddies and many other loving friends he established during his years in Sarasota.

In lieu of flowers, donations can be made to the Cancer Foundation or American Cancer Society.

“ *Having only known Burt in recent years living in Saralake Estates I can only speak of recent memories. I was one of his Tuesday evening poker "buddies" and am proud to be able to say that. He was fun to be with and I shall always remember the good times we had. My heart goes out to Barbara as I know she loved him immensely and seemed to be relieved on Tuesday evenings knowing Burt was enjoying himself. RIP Burt*
