

## Cadwallader Jones "Cad" Pride

February 16, 1941 - October 3, 2016

Cadwallader Jones Pride "Cad", of Sarasota, passed away on October 3, 2016. Born in Butler, GA, he graduated from Boaz, AL High School in 1959 and the Class of 1963 University of Alabama.

Cad battled a long time with illness and was aided in this battle by the staff of Sarasota Memorial Rehab and Nursing Home. It was here that each and every employee treated him with the utmost care and respect. They made him family, which we will always remember and be grateful.

Cad was a distinguished military graduate from the University of Alabama. He proudly served in the U.S Army, and in Vietnam. Upon leaving the service, Cad went to work for IBM. This was a great job for a while.

Somehow, the call of Sarasota entered his bloodstream. Next came the purchase of a small business and THE MOVE. He really just wanted to fish! In 1975 he was hired by Dean Witter. This was a company that would make many changes over the years, and end up becoming Morgan Stanley. In 2007, after 31 years with them, Cad retired.

He was an avid orchid enthusiast and collector. He would instruct any and all about this hobby. When he wasn't potting, he was traveling to all points of the world.

Cad is survived by his wife, Sandra Pride, his daughter Hillary Jacobson Rinker and his grandson, Marshall Rinker, all of whom he cherished, but his delight was his grandson, Marshall. He was preceded in death by his parents, Mary Aldine and Elbert R. (Molly) Pride, and grandparent, Katy Rowley Pride of Greenville, SC.

He will be buried in the Sarasota National Cemetery with love, respect and honors on Friday, October 14th at 12:30 pm.

In lieu of flowers, the family requests that donations in his memory be made to the Society of St. Andrew, 3383 Sweet Hollow Rd., Big Island, VA 24526-8517.
