“ I worked with Candice at Doral Ocean and kept in touch over the years. Last night I had a dream about her only to discover she has passed. One of the most influential women I knew with a business mind like no other. Obviously as her legacy still thrives.

“ *This is a very sad day for many of us, but the happiest day in heaven! Candice's arrival must have been triumphant because she was a gorgeous, friendly and loving creature. We were the best of friends from the very first time we met in Singapore in 1982, and my friendship and love for her will remain till we meet again!*

Dearest friend, Rest In Peace!

“ *Candice was one of these special women that just made you feel welcome and appreciated . Her courage and positive outlook never faltered, She encouraged me and was a mentor to many. I will cherish the memory of our long and leisurely chats over the phone where we touched on so many topics . She was fun and engaging. Most of all she was a true friend. You knew she had your back! Bon voyage my dear Candice, may your path be filled with light. You will live in our hearts forever.*

“ My memories of Candice are many.. We went through a lot together and I loved her. She always said, “just do it ,Janet.” She taught me when I had a vision to keep the focus and to zero in on the details ..she also shared with me the importance of keeping up on my daily Filofax. Candice gave me a chance in life when I needed it most and I learned many things from her that will stay with me forever .. She was a honest ,intelligent, quick thinking, direct, thoughtful, compassionate, loving , strong willed woman and she made the best ever yeast rolls!!! She will be missed ,but Im sure they are happy to have her in heaven and she’s probably getting things organized!! See you again my sister in Christ!!! Love to you Gary and Family❤️🙏

There are no perfect words for me to express my feelings about the loss of our dear Candice. Her strength and character have made a large impression on many. Her baby FHT has provided for many as well, by her eagerness to grow a successful business. I hold a special place in my heart for Candice and will miss her friendship always. with Love.
