“ George,

*I am so sorry to learn of your mom's passing. She was a dear friend and neighbor to my mom (Pat) for many years. I always enjoyed chatting with her when we would come visit. Your mom was always so kind, generous and patient with my mom (Pat) who could be a bit if a pain at times. At times. Since my mom's passing a few years ago, we have not been down as much. But we have continued to exchange Christmas cards. She will be missed. She was a lovely, kind, smart and funny lady. My condolences.*

“ Dear George:

*I wanted to give my belated condolences; as I just found out your mom died.*

*Truly your mom was an amazing woman. She was so good to me! She helped me a great deal while I was an intern at Ewing. Working with her was a BIG BRIGHT spot in my week, she made Saturday's fly by:) I enjoyed spending time away from the funeral home also, as she was my private go to. Wise, kind, loving and to the point. Strong and she believed in me. She had a knack of making me smile, she loved her cat(s). She will always have a special place in my heart and our family. We wish your family fond memories.*

*Lovingly,*

*Amy Pershyn LFD*
