“ My father, George Whitehead, and Corky were friends for many years. I believe they met in the Hunts Bros circus. I remember, as a young child, visiting his house. He was a kind man.

“ Corky was and Barbara is, a wonderful neighbour to all at Tall Tree's Court. His many times of being there to help in the community will be missed, along with his wonderful smile and caring. Special thoughts to Barbara at this sad time.

“Corky was a good man and loved Oak Court. Always involved with issues that benefited the association and served many years on the Grounds Team. We will miss his ideas, opinions and influence. We will see you in all the beautiful landscaping that you helped to create and the beautiful oaks you helped to plant. Till we meet again.

“Irene and I shared many good times together with the Youngs early in our retirement years. We valued their friendship and many common interest stories ...from politics, faith, military, family and, yes, even the circus... and much more. Personally, I knew him as "my very best friend" and missed our comradery from the very moment we departed as neighbors and put many, much too many, miles between us. He and Barbara remained in our daily prayers and will continue to do so... until we meet again.
