“ To attest to Carmen being quick witted: She told me that I had "cartoon toes" and I responded "You got the same toes ." I always loved her smile and will miss seeing her in this life. Love Uncle Chris

“ Sitting on my pool deck looking at Carmen on the sectional just a short time ago. What a great conversation we had. Just talking about life and the future of things. She was a very witty gal, haha She was an adventurous soul I could see. I know she lived and loved real hard. Glad I got the chance to spend time with her for sure! My deepest condolences to her family and sending an extra big love out to her daughter Migi 🥹

“ *Carmen was hands down, flat out one of the most fun people I ever met!*

She was always razor sharp and quick witted with a sarcasm and a joke that were never mean spirited but could always keep you in check 😂

She is gone way too soon and I miss her deeply. You will never be forgotten.

Love you Carmen.
