“ Carol was the most loving and caring sister-in-law I could have asked to have in my life. She was a loving wife, mother, sister, aunt and sister-in-law. I will miss her greatly. Fly high with the angels my friend and I will see you one day. LOVE YOU

“ Carol was very special to me; she was like my sister. I will never forget all the talks we had, and the things we did together. She was always there for me no matter what. I will miss her terribly, and she'll always be in my heart.
