

Carol Ann Grover

September 28, 2021

Carol Ann Grover, 81, born to Lowell and Phyllis Eller, deceased, of Swayzee, Indiana passed peacefully at her home in Sarasota, Florida surrounded by loved ones on September 28.

She was the loving and caring matriarch of her family. Her husband Bruce, brother Merrill (Marilyn), her eight children -- Jeff (Eva) of Sweden, Troy of AZ, Kimberly (Rick) of GA, Kris of NC, Elaine of TN, Bruce Jr. (Shaun) of FL, George of TN, and Rebecca of GA -- eighteen grandchildren and eighteen great grandchildren will miss her dearly.

She spent 15 years at Home Interiors in Indiana and 15 years at SunTrust Bank in downtown Sarasota, though her talent and passion was design. After retiring in 2005, she spent her time helping others decorate their homes, plan their weddings, and create flower arrangements for their many special occasions.

Carol never knew a stranger. She will be missed not only by her family, but by her many close friends in Indiana, the ladies in her First Wives Club, the Cedar Creek Mi Pueblo gang and her 3 Musketeers.

To know her was to love her and to love her was to respect her. God has taken Carol to a better place where she waits for the love of her life to join her.

There will be no services, however, those wishing to honor Carol's life and memory can do so by signing the online guestbook at www.toalebrothers.com and donating to Tidewell Hospice and Upright Africa.

“ We, Linda and Frank O'Neal were friends and neighbors of Carol and Bruce. We were truly sorry to hear of Carol's passing. Carol and I met when she worked at Sun Trust and I worked at Neal Communities. She will surely be missed by all.

“ Carol, you were so kind to me as a new freshman at Swayzee High School. Immediately you invited me into your home to spend the night. And you were the best cheerleader.

“ Although we were first cousins, we shared a Sisterhood. She was the Hostess with the Mostess. Had shared wonderful times & now great memories of sharing her life.
Our heart felt sympathy goes out to Bruce and all of her family.
