

## Carol "Sue" Whitehouse

January 27, 1946 - December 10, 2024

It is with great sorrow that we announce the passing of our beautiful wife, mother, grandmother and great grandmother & sister, Carol "Sue" Whitehouse on December 10, 2024.

Sue was born on January 27, 1946, to Barbara and Edman Lee in Toledo, Ohio. She graduated from Ottawa Hills High School in 1964. After meeting on the golf course and becoming high school sweethearts, she was united in marriage to Ron Whitehouse in May of 1965, starting their life together while attending Bowling Green State University in Ohio.

Sue was a beacon of light and love to all who knew her. Her faith, family and friends were of the utmost importance to her. She never knew a stranger, drawing strong bonds of friendship over the years and across the country in the various towns she and Ron called home. Her infectious smile, boundless energy and unwavering optimism are attributes that will forever be remembered by all of those she touched.

She was also a lover (and rescuer) of animals over the years. Her many dogs, horses, and even a rabbit were a welcome part of the family. That love was passed down to her kids and grandkids.

Sue is preceded in death by her mother and father, Ed and Barbara Lee, and

is survived by her husband Ron, children, Bobbi Miller (Paul), Becky Smith (Dennis), & Brad Whitehouse (Amy), Sister, Linda Lee, Brother, Ed Lee (Sally), Sue was also so proud to be "Grammy" to her 12 Grandchildren, Jared, Jessica, Abbey, Jacob, Emily, Kaylee, Michael, Maddie, Rose, Matthew, Paulo and Tommy, and her 5 Great Grandchildren, Johanna, Bennett, Lucy, Samuel & Elijah, and many of her cousins, nieces and nephews

Her legacy continues through the memories she made with those she loved and the impact she made on the lives of all who knew and loved her. Sue, you will be dearly missed, but your spirit will remain in our hearts forever.
