“ Mrs. Kane, I'm so sorry to hear of Casey's passing. I'll always be grateful she came into my life in middle school. Even after I moved states over a thousand miles away, she continued to be my best friend. We bonded over our off-beat sense of humor, love of animals, and sense of adventure. One of my favorite memories was when I visited Florida again in high school, and Casey picked me up, and we went to Jungle Gardens. She had hilarious commentary about every animal! I regret we grew apart, and I'm heartbroken we won't have a chance to reconnect now. I will keep Casey and our memories in my heart forever. Sending you and your family love and strength.

Sincerely,  
Ricca (Prasad) Ramey

“ Kim, Kelly & Hamad..my heart is with you in this time of grief. Casey and I had a good relationship and we talked about a lot of issues. She was very passionate about some things but nothing more than the furry people in our lives. Her love for all animals/critters is what made her...her. And that's what I loved about her. She is now with all our furry friends and family..waiting for our turn to join them. I know I will see her one day agin and I truly look forward to seeing her again. My deepest heart felt sympathy is with you all. Hugging and loving you...Staci Autodore
