

Celeste S. Boucher-Krickl

October 6, 2022

Loving wife of David, selfless and caring mother to Dewey and Kara left us so suddenly and too soon. Originally from Illinois, Celeste worked in Human Resources most recently in Florida with First Advantage.

Celeste and David relocated to Florida in 2001 with their infant children to start a new life in the Sunshine State.

Just like her husband, she was an ardent fan of the Bears and loved spending Sundays with her family at Gecko's watching the games. She also loved the beach, nights out with friends and reading on her kindle!

Celeste is survived by her sisters, Donna, Patty, Terry and brother John. Along with a number of nephews, nieces, loving in-laws and friends. She was predeceased by her husband David; mother, Helen; father, Thomas and brother Tom.

A gathering will be held on Friday, October 14, 2002, from 3pm - 4pm, at Toale Brothers Funeral Home, Bradenton Chapel, 912 53rd Avenue West, Bradenton, FL 34207.

“ My prayers and heart go out to you, Celeste's dear family and friends! I worked closely with Celeste several years ago as we developed and piloted our leadership program at First Advantage. She came to Fishers, Indiana, and we traveled to Chicago. We facilitated training sessions, shared meals, and joked about Celeste's soon-coming "bionic legs" -- she was ready for knee replacements (if I remember correctly). But she was Superwoman even without them. Her smile and laughter were ready and contagious and paired well with her down-to-earth sensibilities. Just last week, we had a little email catch-up where she told me about her vacation and great time celebrating her great niece's wedding with lots of family and lots of laughing. Her emails are always generously sprinkled with exclamation points, too!!! I will miss her dearly.

“ *Boucher-Krickl Family & closest Friends, please accept my condolences.*

Celeste was an awesome person to work with at First Advantage, as all her colleges have noted. She added a lot of value and improved the lives for many people.

Celeste brought out positive vibes, no matter what the situation. She had a great spirit about her, and would stand up for what she believed. I was really hoping she had won the tough battle she faced, but I'm glad to know that she was able to have a couple good weeks recently, and experience some happy times, before having to leave us. She recently shared how excited she was to be attending her great niece's wedding, and to be returning to Fox Lake where she had precious memories with David. I too believe she's smiling down on us, while reuniting with loved ones and David.

As we all reflect on the good times with Celeste, we'll honor her life on earth and keep her spirit alive.

If you were having a bad day, by the time you ended your call with Celeste she had you smiling and laughing. Lucky to have known her and hoping her laughter lives on. “ I miss Celeste so so much, as a friend and colleague – I feel lucky to have known her. She showed me what real determination, grit, humor and a positive attitude can accomplish. She was funny, smart and had a heart of gold – a good egg! My hope is that she is with her husband who she loved so much.
